

HAPPY HOLIDAY STUFF - BONUS PACK -

This is the 2006 version of the Christmas Party Pack (released in 2005). For who has Christmas Party Pack yet, there is a mini version of this pack, with the new 20 items that are included, available for download at Ea site with the EA downloader.

Spice up your Sims' holidays with this updated collection of seasonal items, outfits, and décor. Deck their homes with traditional décor items from around the globe including mistletoe, reindeer lawn ornaments, and an all-new European-style Father Christmas. Indulge your Sims this season with this collection of 60 items of festive fun!
